

CORE COMPETENCIES

- **Firearms, ammunition, optics and outdoor equipment supply**
Distributor-network catalog of 111,000+ line items across firearms, optics, ammunition, archery, fishing, camping, cutlery and reloading. Quotation against specification, no stocking constraint.
- **FFL transfer and receiving services**
Acquisition and disposition recordkeeping, ATF Form 4473 processing, Colorado CBI InstaCheck coordination, secure storage and documented chain of custody.
- **NFA / Title II services (Class 3 SOT)**
Suppressors, short-barreled rifles and shotguns, AOW. ATF eForm 3 and eForm 4 processing, fingerprint (FD-258) and photograph capture, submission handling through approval and delivery.
- **Regulatory administration**
Operations under Colorado dealer permit FD-01172 (HB24-1353), SB25-003 eligibility verification, C.R.S. 18-12-112 transfer requirements and state magazine limits.

DIFFERENTIATORS

- **Class 3 SOT in Douglas County**
Among the few NFA-qualified dealers in the Castle Rock area. Title II procurement and transfers handled under one roof.
- **Owner-operated, single point of contact**
Quotation, compliance and delivery handled by the same responsible party. By-appointment service with documented scheduling.
- **Catalog breadth without inventory risk**
Nine product categories sourced through established distributors; pricing against requirement lists rather than shelf stock.
